

ASSIGNMENT 2 OF 2 · TEAM DECLARATION · DUE FRIDAY 4 SEPTEMBER 2026, 23:59 SGT

A2 Team Declaration

ONE FILE PER TEAM. Fill this in together and CHECK IT INTO YOUR A2 SUBMISSION FOLDER — do not email it. Keep the file name TEAM_DECLARATION. A team that files nothing has an incomplete submission. Section 8 of the brief has the full rules.

1 • Team and problem

Team ID	Section	Problem chosen (A or B)

Your team is the group you were placed in at the start of the course — A-1 to A-9, B-1 to B-9, C-1 to C-10. Teams are not re-formed for A2.

2 • Members

#	Full name	Matriculation number
1		
2		
3		
4		
5		
6		
7		

Every member, including anyone who has not yet engaged. Delete unused rows.

3 • Repository

Repository URL: _____

Public, and created by your team. The same URL goes in your final submission.

4 • Who owns what

Names against work. The strands below are the suggested split from the FAQ — replace them with your own if you have divided the work differently. Two rows are not optional: everyone writes evaluation cases, and everyone runs one live model. Three models is the floor; N-1 for a team of N is what we expect, with the remaining member taking the v1 pass. Name the model beside each person.

Strand	Feeds	Owner(s)
The loop and the tools	D1, D2(a), D2(c)	
Descriptors, the v1 to v2 rewrite, guardrail layer	D2(b), D3	
Evaluation harness and the scripted run	D4, D5(a)	
Cost model, ledger, sensitivity	D6	
Evaluation cases — everyone, 5 to 8 each	D4	
Live model battery — everyone, ONE model each	D5(b)	
Report and demo assembly	Report sections 4 and 5	

5 • Contribution statement

THIS SECTION IS NOT OPTIONAL. Do not leave it blank.

State ONE of the following two things.

Tick one	Statement
	All members are contributing.
	There is a problem. It is described below, by name.

If you ticked the second box: name the member, what was agreed, and what has happened. Dates help.

[illegible]

Naming a problem here is not an accusation and it does not by itself cost anyone marks. It starts a conversation with a deadline attached: the instructor issues a written warning and the member has nine days to remediate, which usually resolves it. SILENCE AT THIS CHECKPOINT IS READ AS “all members are contributing” — a team that says nothing on 4 September and raises the same problem on 13 September has a much weaker case.

6 • Signed off by**Name:** _____ **Date:** _____

One member submits on behalf of the team. Everyone should have read it first.
